

2021 Cub Scout Clinic Programs

- Due to the COVID-19 pandemic, clinics will be set up as a hybrid program until further notice. A portion of the requirements will be completed outside of the clinic with materials provided by 1000 Islands. The remaining requirements will be completed at 1000 Islands at your selected clinic time. Clinics will consist of a 1.5 hour time slot with a maximum of 10 scouts/siblings.
- All fees must be paid in advance and registration materials received by the Friday one full week prior to program unless otherwise noted. Scouts are not registered until payment is received. Unpaid spaces will not be held.
- There is no cost for leaders or parent chaperones, and scouts must be accompanied by at least the den leader or another representative. Due to limited clinic space, adults staying on site for the clinic should be limited.
- There is no refund for cancellations, but substitutions can be made.
- Registering for a 1000 Islands Environmental Center Clinic implies consent for use of any photographs taken during the clinic. Leaders/parents must advise 1000 Islands staff at least one week before clinic if there are exceptions.
- All children (including non-scout siblings) must pay for the program. This scout program is not appropriate for children under age 6. Siblings over age 6 are welcome unless otherwise noted.
- Leaders will receive certification of requirements completed.
- Scout leaders must provide awards – no awards will be distributed during this program.
- Program will be cancelled and fees refunded if minimum registration is not achieved. Leaders will be notified of cancellation by the Wednesday prior to the program date.
