

Fall 2020 Public Programs

Due to the uncertainty surrounding the COVID-19 virus, programming may change. Please follow our Facebook page <https://www.facebook.com/1000IslandsKaukauna/>

Storybook Walks

This is a fun, educational activity for the entire family. Join 1000 Islands and the Kaukauna Public Library for a monthly Storybook Walk along our trails. Each month we will put a new story out on the trail. Reading stations will be set up along the boardwalk for a self-guided walk to read a page or two at each station. Visit each station to read the entire book and pick up a take and make craft to complete at home. A virtual storytime and educational program will be available online at the end of each program day. All Storybook walks run 9 AM until 3 PM and are FREE to the public.

- Friday, November 20 – *First Snow in the Woods: A Photographic Fantasy* by Jean Stoick and Carl R. Sams
- Friday, December 11 – *Snowflake Bentley* by Jacqueline Briggs Martin

Pop-Up Programs in the Conservancy Zone

Watch for our naturalists to show up out on the property throughout the fall with some fun educational content. These programs will not be advertised ahead of time and will cover a variety of nature topics. Come down frequently to walk the trails for your chance to participate in one of these activities.
