

1000 Islands Conservancy Zone Guidelines and Rules

Please follow these guidelines when walking on our trails and being on the grounds within the Conservancy Zone. These rules are in place to help preserve the Conservancy Zone for everyone to enjoy now and in the future.

- Please be safe and stay on the designated trails
- The picnic area and trails are open until 11:00 PM
- Be respectful of others and nature; please pick up after yourself
- Many native plants and animals living in the Conservancy Zone are protected. All of nature should be left in place for everyone to enjoy
- **Smoking/vaping, alcohol or illegal substances is not permitted**
- No bikes, skateboards or other recreational wheeled vehicles on the trails (strollers, wheelchairs and mobility aids are permitted)
- **No dogs or pets (even leashed) are allowed on the trails, in the picnic area or in the Nature Center building unless it is a service dog**
- Fishing is allowed, but hunting or trapping is not permitted
- Please no abandoning of pets; call a shelter or rescue
- Camping, fires and fireworks are not allowed
- A permit is required to play amplified music and is issued by the City of Kaukauna's Health & Recreation Committee
- Hiking and parking are free

Thank you for adhering to 1000 Islands Environmental Center's guidelines. If you have any questions or concerns, please feel free to contact Debra Nowak, Director at 920-759-5673.
